

GENERAL PROFILES

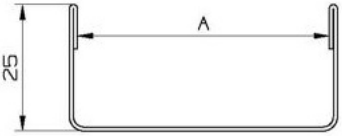

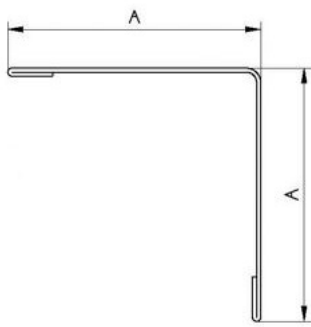

ISONELL profiles are manufactured with first class quality materials which ensure the union between panels, ceilings and ISONELL products in general. The profile catalog has a wide variety of profiles which can be supplied to install our products, being able to manufacture upon request special profiles to solve specific situations within outfitting activity, ranging from different types of U-shaped profiles, covers for panels, to different types of joints for bulkheads and various profiles for bulkheads, ceilings, etc.

	TIPO P01	
	PERFIL INFERIOR DE CUBIERTA	
	REF	A (mm)
	P01-020	20
	P01-025	25
	P01-050	50
	P01-070	70
P01-100	100	
MATERIAL: GALVANIZED STEEL		
LARGO SEGÚN DEMANDA (MAX 3000mm)		

	TIPO P02	
	PERFIL SUPERIOR	
	REF.	A (mm)
	P02-020	20
	P02-025	25
	P02-050	50
	P02-070	70
P02-100	100	
MATERIAL: GALV STEEL		
LENGTH AS PER REQUEST (MAX 3000mm)		

	P03 TYPE		DIMENSIONS	
	90° COMP CORNER PROFILE		A (mm)	B (mm)
	REF.	ACABADO PERF.1- PERF.2		
	P03-025-PP	PVC-PVC	25	55
